Why Choose Wood Stains?

Wood stains aren't just about color—they're about finish, Easy Application, Quick drying.

Built for Performance

Every Kosmic stain is pre-diluted and solvent-based, delivering quick drying and deep color penetration. Formulated for ease of use and consistent results for high paced professional environment.

Key Features:

Quick drying

Easy Application

Uniform Finish

HOW TO APPLY SHADE

Sand the wooden surface along the grain pattern using sanding paper no 180.

To get the desired shade or tone use wood stains by ragging or spraying.

Allow the wood stain to dry for at least 30 min before applying the sealer / top coat.

*DERIVED SHADES INDICATED ARE FOR INTERIOR WOODSTAINS ONLY
